

MISSISSIPPI PARTNERS FOR INFORMED CHOICE

The Mississippi Partners for Informed Choice (M-PIC) program provides Work Incentives Planning and Assistance (WIPA) services funded 100% by the Social Security Administration (SSA) under the Ticket to Work and Work Incentives Improvement Act of 1999. The purpose of M-PIC/WIPA is to help beneficiaries receiving Social Security Disability Insurance (SSDI) and/or Supplemental Security Income (SSI) disability benefits to understand how work may affect their benefits. This program employs specially trained Community Work Incentives Coordinators (CWICs) and each serves a specific region of the state.

Careful planning is the key to making the transition from receiving benefits to working successfully.
